

Official Terms & Conditions: Winglocker 1000km "Toss or Take" Challenge

1. The Promoter The promoter is Winglocker ("The Promoter"). This promotion is in no way sponsored, endorsed, administered by, or associated with Instagram or Meta.

2. Eligibility

- This challenge is open to all unpowered paraglider pilots aged 18 years or over.
- Flights must be conducted on unpowered paragliders only. Paramotors, hang gliders, sailplanes, speed wings, and mini-wings are strictly excluded.
- Employees of Winglocker or their family members are not eligible to enter.

3. Location Requirements

- To ensure this challenge celebrates our local flying community, a minimum of 80% of the total claimed distance (at least 800km) must be flown within the airspace of the United Kingdom.
- The remaining 20% (up to 200km) may be flown internationally.
- Pilots must ensure their submitted GPS track logs clearly demonstrate the geographical location of the flights.

4. The Challenge Period & Cap

- The challenge is active immediately and closes at 23:59 GMT on December 31, 2026.
- **Strict Cap:** The prize is strictly limited to the first ten (10) pilots who successfully complete the 1000km distance, verify their flight logs, and claim their spot. Once 10 pilots have claimed the prize, the challenge will automatically close.

5. How to Enter & Track Flights To be eligible, pilots must fulfill both the social media and the official logging requirements:

- **Social Media:** For a flight distance to qualify, the pilot must post an Instagram Story tagging @winglocker within 48 hours of the flight. The story must include the text: "Add this to the tally @winglocker! - [XX]km".
- **Flight Logging:** Every claimed flight must be recorded via GPS and logged on a recognized public flight tracking platform (e.g., XContest, Leonardo, Strava).
- **Distance Calculation:** Flight distance will be calculated based on standard "**Optimized Free Distance**" (**Start + up to 3 Turnpoints + Finish**), exactly as calculated by default on platforms like XContest or Leonardo. We will only count the raw optimized distance flown; league multipliers (e.g., FAI triangle bonuses) will not be applied to the tally.

6. Verification & Claiming the Finish

- Instagram Stories are for public tallying only. Upon reaching a combined total of

1000km, the pilot must formally submit their claim to Winglocker via email, providing a list of the inclusive flights, showing date and link to the flight data.

- The submission must include links to the public flight logs verifying the total 1000km distance.
- Winglocker reserves the right to review the GPS tracks to ensure validity. Flights that violate airspace or local regulations will be disqualified. The Promoter's decision on flight validity is final.

7. The Prize & The "Coin Toss" Upon successful verification, the pilot will be presented with a choice. They may either:

- **Option A ("Take"):** Settle immediately for a guaranteed £500 Winglocker voucher.
- **Option B ("Toss"):** Forfeit the guaranteed £500 voucher and opt to flip a coin for a £1000 Winglocker voucher.

If Option B is chosen:

- The coin toss will be conducted on a scheduled Instagram Live stream hosted by Winglocker to ensure full transparency.
- The pilot will be asked to call "Heads" or "Tails" live on the stream before the coin is flipped.
- **Win:** If the pilot guesses correctly, they receive the £1000 voucher.
- **Loss:** If the pilot guesses incorrectly, they receive nothing (£0) and forfeit any claim to the £500 safe option.

8. Voucher Terms of Use (Strict)

- Vouchers (whether £500 or £1000) are strictly valid only against the purchase of a brand-new paraglider wing at standard Recommended Retail Price (RRP) directly from Winglocker.
- Vouchers cannot be used for discounted wings, second-hand wings, harnesses, reserves, instruments, clothing, or any other accessories.
- Only one voucher may be used per wing purchase. Vouchers cannot be combined.
- Vouchers have no cash value, cannot be exchanged for cash, and are non-transferable.
- Vouchers must be redeemed within 12 months of being issued.

9. Media & Consent By participating and tagging @winglocker, entrants grant Winglocker permission to reshare their Stories, images, and flight statistics on Winglocker's social media channels and website for promotional purposes.
